

STUDIO ROOSEGAARDE

**JOIN THE DREAM FACTORY AS A FULL-TIME SENIOR DESIGNER:
"UNLEASH YOUR CREATIVITY AND MAKE A DIFFERENCE"**

At Studio Roosegaarde, we are a team of dedicated professionals with a shared vision to shape the landscapes of the future through design. Led by designer Daan Roosegaarde, our interdisciplinary team of specialists including biologists, engineers, programmers, business developers and event planners, believes that with hard work and an unwavering spirit, anything is possible.

We agree that the world deserves more than just imaginative ideas, but the courage to bring them to life. From upcycling 8 million kilos of space junk to creating a city devoid of air pollution, we turn daring dreams into tangible realities. Because every project requires a different approach, no challenge is too great and no restriction too limiting for our unrelenting drive to design a better future.

Our portfolio showcases our innovative and sustainable character, including celebrated projects such as the Van Gogh Cycle Path, Smog Free Project, Waterlicht and SPARK. Join us in our mission to reimagine the world and bring positive change. Visit us at www.studioroosegaarde.net to learn more.

WHO | SENIOR DESIGNER

At Studio Roosegaarde, we're igniting a spark of change in the world of design. Due to a growing number of projects, we're on the hunt for a visionary Senior Designer who is inspired by the power of imagination and isn't afraid to bring their most radical ideas to the table.

You're a creative force to be reckoned with, fueled by curiosity and a drive to make a real impact. Your impeccable eye for detail, combined with your technical knowledge and relentless determination, sets you apart from the rest.

For you, coming up with ideas is just the beginning. You know that turning those ideas into impactful projects requires resourcefulness, determination and the ability to assemble the right team of experts and suppliers.

WHAT | RESPONSIBILITIES

As a Senior Designer at Studio Roosegaarde, you will play a critical role in the creative and technical implementation of our projects. Your responsibilities will include:

1. Leading the creative and technical design process
2. Providing creative support to Daan Roosegaarde
3. Collaborating effectively with internal and external stakeholders
4. Communicating ideas clearly, effectively and convincingly
5. Managing suppliers and ensuring quality control
6. Overseeing project budgets and timelines
7. Translating artistic concepts into technical designs
8. Conducting research on materials and techniques
9. Ensuring a strong focus on behaviour and atmosphere in all design work
10. Bringing prototypes to life as permanent art installations

Your strong social and communication skills, combined with your experience in interactive spatial projects and your ability to achieve concrete results, will make you a valuable asset to our team.

WHAT | REQUIREMENTS

We are seeking a highly qualified and experienced Senior Designer. The ideal candidate will have:

1. A minimum of 5 years of experience in a leading design or engineering firm;
2. A well-rounded portfolio that showcases imagination and vision, with at least two projects where they have taken ownership from start to finish;
3. Proficiency in 2D and 3D technologies for rapid prototyping;
4. Knowledge of AutoCAD and Adobe software;
5. Strong English language skills; Dutch language proficiency is an added advantage;
6. Availability to travel internationally, specifically to the Middle East and Indonesia;

WHAT | MAKES US UNIQUE

1. A one-of-a-kind workplace that cultivates a free working environment of creativity and innovation;
2. Opportunities to collaborate with a team of experts and push the boundaries of design and technology;
3. The ability to bring your ideas to life and see them have a real impact on the world;
4. Full-time contract

Join our team at the Dream Factory and help us shape the future of design and technology. We believe in diversity, so whether you have a traditional design background or come from a different field, don't hesitate to reach out. If this sounds like the perfect opportunity for you, please send your CV, portfolio, and a personalised motivation letter to work@studioroosegaarde.net. Let's start the conversation and see what we can create together.
