

STUDIO ROOSEGAARDE IS HIRING

JOIN THE DREAM FACTORY AS A **FULL-TIME DESIGN INTERN**

“UNLEASH YOUR CREATIVITY AND MAKE A DIFFERENCE”

At Studio Roosegaarde in Rotterdam, we are a team of dedicated professionals with a shared vision to shape the landscapes of the future through design. Led by artist Daan Roosegaarde, our interdisciplinary team of specialists believe that with hard work and an unwavering spirit, anything is possible. If you can imagine it, you can create it.

We agree that the world deserves more than just imaginative ideas, but the courage to bring them to life. From upcycling 8 million kilos of space junk to creating a city devoid of air pollution, we turn daring dreams into tangible realities. Because every project requires a different approach, no challenge is too great and no restriction too limiting for our unrelenting drive to design a better future.

Our portfolio showcases our innovative and sustainable character, including permanent and temporary projects such as the Van Gogh Cycle Path, Smog Free Project, Waterlicht and SPARK. Join our mission to reimagine the world and bring positive change.

DESIGN INTERN

As a design intern at Studio Roosegaarde, you are driven by curiosity and have a strong desire to create a positive impact on the world through design. Your hands-on mentality and willingness to get your hands dirty set you apart from the rest. You have a keen eye for detail, coupled with technical expertise and unwavering determination. Thriving as a team player, you also demonstrate the ability to work independently, eagerly contributing your unique perspective to new designs.

RESPONSIBILITIES

- Being part of the design team on various art projects and installations.
- Assisting in creating new ideas, concept sketches, 3D models, visualizations, and prototypes.
- Researching materials and technologies to support the realization of art projects.
- Participating in brainstorming sessions and contributing fresh ideas and perspectives.
- Contributing to the development and refinement of design concepts.
- Providing basic assistance to the studio manager.
- Working closely with other team members to ensure the successful execution of projects.

REQUIREMENTS

- Enrolled in a relevant design or art-related university.
- Available for at least 5 months or longer.
- Proficiency in design software such as Adobe Creative Suite, Rhino, SketchUp, etc.
- Experience with Midjourney is a plus.
- Experience in prototyping, with strong artistic and conceptual skills.
- Positive attitude, teamwork abilities, self-motivation, responsibility, and eagerness to learn.
- Fluent in English.
- Based in the Netherlands.
- Having a driving license B is a plus.

MAKES US UNIQUE

- Gain hands-on experience in a one-of-a-kind workplace that cultivates a free working environment of creativity with a focus on innovative projects.
- Receive guidance from experienced professionals in the field.
- Opportunity to contribute your own ideas and creativity to our projects.

HOW TO APPLY

If you are excited about the opportunity, we'd love to hear from you. Please send your updated CV, portfolio, and a brief cover letter explaining why you want to intern at Studio Roosegaarde to work@studioroosegaarde.net.

Please use "**Design Intern - [Your Full Name]**" as the subject line of your email.

Let's start the conversation and see what we can create together.
